LEE KITCHENS 1930 – 2003

Photo Album - 1964 – 1979

In 1964 Lee Kitchens was elected President of LPA. Soon after that election he bought a new camera and began taking pictures of his family and LPA activities and events.

The majority of photos in this album were taken in 1964 and 1965. District 8 meetings in Austin, Texas, 1964 and Baton Rouge, Louisiana, 1965 and San Antonio, Texas, 1965 are shown.

Sally Wright's marriage to Chuck Bedow in 1964 is shown including the decoration and TP'ing of Chuck's Corvette. There are a few photos of the 1965 convention in Gloucester, New Jersey, and a number of photos of New York City where District 8 members visited following the convention.

The 1979 photo page includes a photo of Lee's Father, Clay, decked out in a gold chain and dubbed "The Callan Hippie". The 1979 page also includes a photo of Bobby Van Etten and Dr. Kopits, in bed, at the Children's Hospital in Baltimore.
